## Newsflush

### DAVY

*Hello everybody,*

*my name is Davy and I am a 2nd year Master student in Biology. I joined the Bunker Board end of last year to spice up my study life and to meet new people. And the Bunker definitely is the right place for that!*

*The nice theme parties, cool crew and (most importantly) cheap beer make it a great place to party. Especially when it is this close to home! This period we also have some nice parties in store for you with very nice specials. So come on down for a well deserved study break and enjoy our nice specials. If you want to know more about the Bunker or maybe want to join our board you can always come down to ask me, I am there every week.*

*See you soon!*

### MESSAGE FROM THE BOARD

Rainy days, falling leaves and cold nights.. That means that the fall is in full effect and winter is creeping upon us. This period we start off by celebrating the creatures of the night with a terrifying Halloween Party. We encourage you to come in Halloween themed outfits; for everyone who does we have a special surprise!

To shed light on these dark days, there is a Glow in the Dark party in week 3 with Luminous body paint and Blacklights! And be sure not to miss our Après Ski party... Let's just skip the skiing and proceed to the getting-totally-wasted part, shall we?

We are also planning on \*pimping\* the Bunker with flatscreens behind the bar this period... Be sure to check it out! See ya!
