## Newsflush

### Message from the board

We are back, and with a new Newsflush!! We promise to be in your toilet every period this year.

We start this year with three new board members. Three lovely ladies that are eager to make this year even better than the last one!

We hope you've enjoyed your summer holidays and the AID and are fully charged for a whole year of parties at the Bunker (and perhaps some studying...) We certainly are! See you at the Bunker!!

### Party planning

In week 2 we will have our annual traffic light party. The light indicates what our special is on that moment: the green light is house shots 2:1, orange is beer 3:2 and red is N2O 2:1.

In week 3 our party is on Prinsjesdag, this means we throw a Dutch Night. Put on your best orange clothing and come to enjoy some orange cocktails!

In week 5 we have a shots night with shotgames and some crazy dancing of course! All shots are for 1 coin!

To finish off this period we throw a party for animalday, put on your best animal outfit and come party in straw with a discount on all the shots with an animal logo on the bottle!

The board (fltr): David, Davy, Sanne, Yindi, Marion and Elisa
