

Hi everyone!  
It's time for me to introduce myself, my name is Marion de Schipper. I'm one of the new board members and also the youngest right now. I'm 20 years old and I'm a second year student of the Bachelor Communication Sciences. I've joined the bunker board at the end of last year and this year I'm an official board member ☺ I mostly handle the promotion of the parties so I'll be the one spamming people on Facebook, sorry about that! ;)

## Message from the board

Hello again! Thanks if you joined our evenings last period! If not, shame on you ;) You've missed some great parties! We sure had a lot of fun and we hope this period is going to be great too!

Starting this period we have some new drinks in our assortment: Sourz, Captain Morgan and Liefmans beer. We hope you'll enjoy them!

We are looking for some nice party pictures to decorate the walls of our smoking area. If you have any nice pictures from Bunker parties, please share them on our facebook page or mail them to the adress below.

Remember: Tuesday night is Bunker night!!  
See you downstairs!

## Party Planning

The start of a new period of studying can be hard. So on the 27th of October we will make you smile with extra cheap N2O balloons. There is also Knaeck special! If you show us your Knaeck at the bar, you'll get a Miss Piggy for 1 coin!

One week later we have our annual Mexican themed party. Cheap tequila and Mexican beer will make you relax that evening.

On the 10th of November Biologica and Sylvatica are your hosts and on the 24th of November Basketball Club Sphinx will host our Bunker night. A great night to find out if these societies can party!

We will close the period with a Toxic Waste (blacklight) party. Be sure not to miss it!
