## INTRODUCING PASCAL

Hey everyone! My name is Pascal and I joined the Bunker Board a few months ago. Some of you might also know me as one of the resident DJ's. Three years ago I played my first tracks in the bunker, and since then I have been playing there regularly. When I finally moved to Wageningen last year, I decided to do more than just DJing. I already knew most of the board members, so they gladly welcomed me to the Bunker Board. When Emmie left the board, I took over most of her tasks and responsibilities and so I became the new Chairman. I already had a lot of fun in the Bunker and I'm sure there are more crazy times ahead. Hopefully we will see each other soon! Cheers!
