PARTY PLANNING

As many of you have noticed the newsflush was missing last period. Due to a very busy period and the low number of board members we were unable to make and distribute the newsflush in time. But now it is back! And with it comes the party planning of period 5. On the 24th of March we will go all out with a Bunker promotion party. At this party you will lose €12,50

at the door, but you enter a room with unlimited beer, wine and soda. You won't find it cheaper anywhere else!

One week later we have our April Fool's party. Dress up as crazy as you can and get surprised by a Fool's shot. Silverstrike, Jonny Walker or something else? The shot you get is determined by your luck ;-)

At the end of period 5 we have our classical Mexican Party. Tequila and Corona will be extra cheap and sombreros and mustaches are more than welcome. We will also have some parties hosted by some of Wageningen's study and student associations.

The associations of Wageningen are known to host great parties, so be sure not to miss them. To see these dates and have a good look at the entire party planning you can see the table below or check our facebook page at facebook.com/bunkerwageningen.

MESSAGE FROM THE BOARD

We are (almost desperately) looking for new board members!

If there are no new recruits it will be hard to remain open for you every Tuesday. Unfortunately we already had to close during one night in the last period. Of course we do not want this to happen anymore and therefore we require **your** help!

We are looking for people who are willing to help in organizing the parties for each period, or who are good in graphical design and technical support. And of course we are always looking for DJ's to make the party a kicker! Do you like to meet new people and work behind the bar every now and then? Join the Bunker board! The more people there are the less work you have to do and the more fun it will be ;-)

Please find one of us behind the bar on Tuesdays or send an email to info@hunkerbunker.com if you are interested.
