Message from the board

Happy New Year everyone! We hope you all had fantastic holidays! It's time to start again though. Let's kick off 2016 together and make this year a spectacular one!

De Bunker is making some changes this year. First of all we have to be more strict at the door with the checking of student cards. So remember to bring your student card! Secondly we have had some changes within our board. Our chairman Davy is leaving us to go to South-Africa for an internship and we welcome a new member called Freek! We're going to miss Davy a lot and we wish him the best of luck! We're glad to have Freek to help us out now though

Remember: Tuesday night is Bunker night!!
See you downstairs!

Party Planning

To start this new year and new period we are throwing a New Year's party! Let's start as early as possible in the hope to be fresh again the next morning in order to keep to your new year's resolution of studying harder ;) To help you with this, we offer you a free glass of bubbles till 23:30!

On the 12th of January we will introduce you to Winter Wonderland! As a special we will provide Smirnoff Ice shots for one coin and very special icy cocktails for 2 coins!

In period 4 we have a great Après-Ski party for you guys! We have cheap beer and Jägermeister and our DJ will help us to set the mood!

The third of March we are having a Ladies Night! There will be special music to celebrate the beauty of being a girl and we will have wine and Liefmans as specials! Of course men are invited as well, because what is a woman without a man by her side?
